

LOWER SCHOOL DRESS CODE

Students are expected to follow the uniform dress code policy at all times during regular school hours and as designated for special events. From time to time, the headmistress, at her discretion, may elect to observe "special" days where uniforms are not required. Unless notified of a non-uniform day, students shall be dressed appropriately.

Students found in violation of the dress code will be given a verbal warning and a notice will be sent home to the parents describing the infraction. The notice needs to be signed by the parent and returned to the school the following day.

All uniforms are to be ordered through Lands' End via the school catalog or online at www.landsend.com/uniforms. No substitutions will be permitted. When placing an order as a "preferred school", Lands' End will rebate 3% of the total sale back to Cross; therefore, when ordering clothes, please provide our preferred school number and logo number. These can be located on the mailing label of your current catalog and in the next paragraph.

Lands End will accept orders throughout the school year; so it is not necessary to order all clothing items at once. However, items are often placed on back-order which will delay your order. Do not wait until the first cool weather to order sweaters, jackets, and long sleeve shirts. Accessories need not be ordered through Lands' End.

Used uniforms

Gently worn uniform clothing may be purchased at reduced prices through the school store. Only clothing items that are clean and in excellent condition are accepted for resale in this program.

General appearance

General appearance should be neat, modest, and orderly at all times. Shirttails must be tucked in, socks must be worn with shoes, shoe laces tied, and hair should be kept neat and clean. Boys' hair must not be below the earlobes on the sides, not touching the collar in the back, and above the eyebrows in the front. Hair accessories for girls must be minimal and should keep hair out of the eyes. No ornate jewelry should be worn and necklaces must not be visible. Boys may not wear earrings. No visible body piercing (excluding earrings for girls). Tattoos must not be visible while wearing any of the school uniforms.

Outerwear

Girls and boys are free to wear jackets and coats of their choice for outdoors, as long as the jacket and/or coat is neat and simple (free from excessive logos, pictures, etc.). Lands' End jackets and fleece jackets are available in red with our school logo. These items look nice, but are not required. Sweaters are not considered outerwear. When wearing a sweater or jacket indoors, the uniform items with logo should be worn. All outerwear is to be worn only while outside.
